CERTIFICATE OF COMPLETION

This is to certify that

HARSHITH P S

1AJ24CY017

From **CAMBRIDGE INSTITUTE OF TECHNOLOGY NORTH CAMPUS**
has successfully completed the **Structured Query Language (SQL)** course at SkillVex.

18th May 2026

This certificate is awarded in recognition of their dedication, consistency, and commitment to learning **Structured Query Language (SQL)**.

During the course, they gained a strong understanding of **relational databases, SQL queries, data filtering, joins, normalization, aggregate functions, subqueries, indexing, views, stored procedures, and database design principles**. Their analytical thinking, consistency, and practical approach to database management reflect a strong foundation in data handling, backend systems, and real-world problem solving
